PARTY SPECIAL

# Zombie breakout with Jonathan Ross

THE YEAR WAS 2016,  
A SECRET MILITARY  
HIGH SECURITY  
ESTABLISHMENT, AT ZMB.

THE DATE: 31-10-06...5PM.

ZMB had set up Scientific  
Tests that have been  
happening and getting Media  
focus at their Compound  
under the strict Military control  
and under guard of General  
Salis's Troops and Men.

After the Secret Code  
Infra Red Locking Device,  
everyone finally entered  
the "Final Zone" and The  
Tennis Court that has been

amazingly transformed into  
a giant Zombie cage.

The choreographed Zombie  
show that followed was an  
attempt by General Salis to  
prove that he had ultimate  
control of the Zombie  
mind, but suddenly the  
experiments got loose – and  
General Salis had his armed  
ripped off and eaten to the  
bone.

The ZMB-1 Master Zombie  
was uncaged and awaiting  
instructions from Jonathan  
Ross as what to do next...

ZMB-2 and 3 had broken

loose from their chained  
positions in the Tunnel and  
were  
now bizarrely fighting each  
other in a comic vaudeville  
"little and large" routine.

It was a "Circus of the  
Zombie Absurd" and  
Goblin's, "The Gonk"  
screached to a crescendo for  
the very last time.

What happened to the  
"Zombie Breakout" ...???

The pictures tell the story!

Do JR and Jimmy Carr make  
it out alive, to tell the tale...??
